Winter 2019

The Dominican Republic Mission Team will hold its annual fundraiser, the *Dominican Republic Mission Team Experience,* on Saturday, April 13, at New Life Mountain Ridge. This spectacular night will include a spectacular silent auction, fabulous hors d'oeuvres and treats, inspiring live music, and an interactive experience not to be missed! One hundred percent of the money raised will help 150+ local people traveling to the Dominican Republic this summer, fall, and winter (four trips each year). While there, they will help with building projects for the very poor, feeding the hungry, providing desperately needed medical clinics, and much more.

Part of the success of this annual event is the support from so many local individuals, businesses, and organizations. We rely on their generosity for so much support and countless donations that make this event and the mission trips possible.

Since 1990, the Dominican Republic Mission Team has led work teams to help with projects for thousands of Haitians living in severe poverty in the DR, including the building of the Good Samaritan Hospital in La Romana, DR. To learn more of the work being done in La Romana, please visit drmissionteam.org. This summer's team will represent a great cross-section of people from many churches and the community at-large, with ages ranging from 10 up to 84 years old! The group is organized and run totally by volunteers, so all money raised goes toward helping the poor.

Your willingness to help is a shining testimony to the goodness of people in our community. Again, on behalf of our DR Mission Team and the thousands of people in La Romana who will be helped, thank you again for your generosity.

If you have any questions about the DR Mission Team or this fundraiser, please visit our website at drmissionteam.org, email john@drmissionteam.org, or call 203-626-2239.

Sincerely,

DR Mission Team Volunteer
